Provided that submarines and other underwater vehicles shall navigate on the surface and show their flag while passing through such waters.

(3) The Central Government may, if satisfied that it is necessary so to do in the interest of the peace, good order or security of India or any part thereof, suspend, by notification in the Official Gazette, whether absolutely or subject to such exceptions and qualifications as may be specified in the notification, the entry of all or any class of foreign ships into such area of the territorial waters as may be specified in the notification.
